Dear Mr. Lam:

I am pleased to inform you that the Pacific Health Association (PHA), comprised of California, Oregon and Washington, recently endorsed ZenTech Immune+ and MPH Immune+. PHA is a trade association of over 800 hospitals on the West Coast, representing the hospital and health system industry on critical issues.

PHA looks forward to the distribution of these products. We are excited that the efficacy of these supplements has been demonstrated by one of California's leading medical schools.

Sincerely,

C. Duane Dauner
President
